

**ADD AN ALWAYS-ON STUDY
COMPANION TO YOUR LICENSING PREP**

Meet Claire AI™

The 24/7 study companion built right into your ExamFX course, so you always know what to focus on, and never have to guess alone.

Hi I'm Claire AI™

I'm here to support your learning to help you find effective ways to study as you work through your coursework.

I can answer questions, generate quizzes, create flashcards, and more. I will help you prepare and build confidence along the way.

Ready when you are!

Support The Moment You Need It

Studying a tough topic at midnight? No idea what to review before a quiz? In these moments, your momentum stalls. Now, Claire AI is available as a study companion the moment you need her, built right into your course. Simply highlight what you're studying, or click her prompt buttons to see simpler explanations, additional flashcards, generate storybooks, quiz yourself, or use a mnemonic to help a concept stick.

Why Learners Are Adding Claire AI

Confidence

Know you're studying what matters, not guessing.

Personalized Support

Get help exactly when and how you need it.

Retention

Reinforce learning through flashcards, quizzes, and more.

Readiness

Spot gaps in your knowledge before exam day.

AI You Can Trust, Built on ExamFX's Solid Content Foundation

Generic AI Tools	Claire AI
✗ Pulls from the open internet	✓ Uses only ExamFX's expert-content
✗ Doesn't know what matters for the exam	✓ Aligned to licensing exam outlines
✗ Creates inconsistent experiences	✓ Keeps you on a trusted study path
✗ Operates outside your training ecosystem	✓ Built directly into the course

"I think the flashcard quick access was the biggest help. The storybook function made it a fun little way to package the content and break the monotony."
– Tom Z.

What You Get When You Add Claire AI to Your Course

- ✓ Instant explanations for tricky concepts, in simpler terms.
- ✓ Custom flashcards, quizzes, storybooks & mnemonics generated in seconds
- ✓ Support built into every chapter, video, and flashcard set.
- ✓ Guidance built only from ExamFX's trusted, exam-aligned content
