

Volume Licensing Agreement (VLA)

Simplify Your Recruiting Process

The ExamFX VLA program was developed to help organizations like yours simplify and streamline your recruiting and licensing training process.

ExamFX can help convert your new candidates into producing agents through high quality training and corresponding increased pass rates.

Our VLA program can produce better results for your recruiting efforts. By increasing the number of recruits enrolled in the training program, you can greatly increase the number of candidates who will pass their licensing exam on their first attempt.
